REPORTING YOUR MISSING CHILD

The first 48 hours following a missing or runaway episode are the most important in locating your child. While many children return home or are located during this period, it is critical to take every action available to help locate and safeguard your children. **DO NOT WAIT** to report your child missing. **There is no time limit that you must wait to report a person as missing.** Follow the steps on the reverse side to help us identify your child and visit www.mpdc.dc.gov/missing for more information and ways to keep your child safe.
